

VACANCY

About us

POWERCOM (Pty) Ltd was established in 2007 and later acquired by Telecom Namibia in 2013 and is a 100% subsidiary of Telecom Namibia. Its mandate is defined by the license issued in accordance with Communications Act (No.8 of 2009) by CRAN, a Class Network Facilities Service License which empowers PowerCom to serve as an ICT infrastructure and equipment provider. Since 2013, the company has predominantly focused on building towers to enable service providers and operators to lease space on the towers and provide network coverage and services to their respective clients.
